

## **The daily program content of tomato training course in Cambodia**

***26 July, 2017 - In General Directorate of Agriculture***

AM:

- Introduction
- Some problems related PVP (application procedure, novelty...)
- Planning for DUS test of tomato (from receiving application and material to make final report)
- Discussion

PM:

- The role of DUS test
- Discussing

***27 July, 2017 - In General Directorate of Agriculture***

AM:

- How to cultivate tomato
- Instruction manual of DUS test for tomato
- Discussion

PM:

- How to manage data of growing test

- Analysis and make report.

**28 July, 2017- Kbal Koh Station**

Preparation of cultivation

**29 July, 2017- Kbal Koh Station**

Planting

**My comments:**

- Seminar PVP system more and more.
- Training DUS test (because: all participant lack of DUS test experience)
