

EAPVP Forum

East Asia Plant Variety Protection Forum

14th Annual Meeting

Tokyo, Japan, 31 August 2021

EAPVPF/14/02_03

Date:31 August 2021

INDIVIDUAL IMPLEMENTING STRATEGY OF

prepared by China

1. National goal (for next 10 years: 2021 to 2030)

I. On one hand, to enhance of China's PVP system and to provide a stronger and more effective protection of PBR.

--Legislation: China will push forward the revision of PVP Regulations to provide a stronger and more effective protection of PBR.

--DUS examination: China will establish more DUS test sub-centers/stations to improve technical capacity and efficiency of DUS testing and examination.

--Test Guidelines: China will develop more Test Guidelines for covering more plant genera or species and to harmonize Test Guidelines and other relevant protocols regionally as well as internationally.

--Enforcement: China will take measures to raise awareness of PBR protection and respectation of intellectual property rights, intensify law enforcement, to build a good business environment.

II. On another hand, to provide the assistance for EAPVP Forum member to establish and implementation of their PVP system. With supports of EAPVP Forum, if possible, China is willing to host technical training courses, technical seminars or workshops for the participants from the EAPVP members in China. If invited, China could send our experts to the inviting country/organization to share our experience in the field of PVP and DUS and take part in seminar or workshop for discussion on the technical aspects of them, aiming to enhance PVP capability and enhance PVP system together.

2. Objectives with analysis of challenges (for next 3 years)

2021

Any cooperation activities are hard to be held, under the circumstances of COVID-19 epidemic, except that we communicated with EAPVP Forum Office and finished its tasks, for example, confirming the contact information.

2022

In the year of 2022, if possible, China is willing to host technical training courses, technical seminars or workshops for the participants from the EAPVP members in China, with supports of EAPVP Forum or China. If invited, China could send our experts to the inviting country/organization to share our experience in the field of PVP and DUS and take part in seminar or workshop for discussion on the technical aspects of them, aiming to enhance PVP capability and enhance PVP system together.

2023

In the year of 2023, if possible, China is willing to host technical training courses, technical seminars or workshops for the participants from the EAPVP members in China, with supports of EAPVP Forum. If invited, China could send our experts to the inviting country/organization to share our experience in the field of PVP and DUS and take part in seminar or workshop for discussion on the technical aspects of them, aiming to enhance PVP capability and enhance PVP system together.

3. Planned activities and Road map (for next 3 years)

I. To host technical training course in the field of PVP and DUS in China, if all resources are met

II. If invited, China is willing to send our experts to share experience to the inviting country/organization, if all resources are met

III. To host technical seminar or workshop on PVP or DUS for the EAPVP Forum members in China, if all resources are met

IV. If invited, China is willing to send our experts to take part in seminar or workshop for discussion on the technical aspects in the field of PVP and DUS, if all resources are met

4. Proposal of Cooperation Activity (Members who submitted proposals ONLY. The proposals will be presented with explanation of relevance to its 10-YSP.)

Since China hosted seminars or training courses on PVP or DUS for the EAPVP Forum members successfully, several times, supported by the Forum, it has some experience on organization the regional activities and have a good relations with stakeholders. Therefore, China would like to host the above events in the future with the supports of EAPVP Forum.
