15th Annual Meeting
 Jakarta, Indonesia, 13 July 2022

EAPVPF/15/02_03
Date:13 July 2022

INDIVIDUAL IMPLEMENTING STRATEGY OF CHINA

prepared by China

1. National goal (10-year strategic plan 2021-2030)

I. On one hand, to enhance of China's PVP system and to provide a stronger and more effective protection of PBR.

--Legislation: China will push forward the revision of PVP Regulations to provide a stronger and more effective protection of PBR and prepare for join the 1991 act of UPOV convention after publication of the revised PVP Regulations.

--DUS examination: China will establish more DUS test sub-centers/stations and improve the layout of testing institutions, to improve technical capacity and efficiency of DUS testing and examination.

--Test Guidelines: China will continue to develop more Test Guidelines for covering more plant genera or species and to harmonize Test Guidelines and other relevant protocols regionally as well as internationally.

--Automation: China will develop our domestic PVP databases and UPOV PRISMA as well, continuously and encourage Chinese breeders to use UPOV PRISMA for PVP application.

--Enforcement: China will take measures to raise awareness of PBR protection and resection of intellectual property rights, and intensify law enforcement through judicial and administrative enforcement means, to build a good business environment.

II. On another hand, to provide the assistance for EAPVP Forum member to establish and implementation of their PVP system. With supports of EAPVP Forum, if possible, China is willing to host technical training courses, technical seminars or workshops for the participants from the EAPVP members in China. If invited, China could send our experts to the inviting country/organization to share our experience in the field of PVP and DUS and take part in seminar or workshop for discussion on the technical aspects of them, aiming to enhance PVP capability and enhance PVP system together.

2. Objectives with analysis of challenges (for next 3 years)

2022

The amount of PVP applications is continuously raising in 2022. To finish the receiving and examining PVP applications is becoming our first task and goals.

Under the circumstances of COVID-19 epidemic, except that we communicated with EAPVP Forum Office and finished its tasks, for example, confirming the contact information, we tried our best to hosted an online PVP training course for developing countries.

2023

The amount of PVP applications is anticipated to continuously raise in 2023. Our first task and goals is to finish the receiving and examining PVP applications.

COVID-19 epidemic is unclear, which brought us more uncertainty to push our cooperation activities to achieve. We will plan to host cooperation activities within the region, if all resources are met.

2024

The amount of PVP applications is anticipated to continuously raise in 2024. Our first task and goals is to finish the receiving and examining PVP applications.

COVID-19 epidemic is unclear, which brought us more uncertainty to push our cooperation activities to achieve. We will plan to host cooperation activities within the region, if all resources are met.

3.Planned activities and Road map (for next 3 years)

- I. To host technical training course in the field of PVP and DUS in China, if all resources are met
- II. If invited, China is willing to send our experts to share experience to the inviting country/organization, if all resources are met
- III. To host technical seminar or workshop on PVP or DUS for the EAPVP Forum members in China, if all resources are met
- IV. If invited, China is willing to send our experts to take part in seminar or workshop for discussion on the technical aspects in the field of PVP and DUS, if all resources are met

4. Proposal of Cooperation Activity (Members who submitted proposals ONLY. The proposals will be presented with explanation of relevance to its 10-YSP.)

Since China hosted seminars or training courses on PVP or DUS for the EAPVP Forum members successfully, several times, supported by the Forum, it has some experience on organization the regional activities and have a good relations with stakeholders. Therefore, China would like to host the above events in the future with the supports of EAPVP Forum.
